MORALLY BANKRUPT TRANSLATIONS PRESENTS

ANE-COMI

BY INOUE KAZUROU

RATHER THAN THE NORMAL LAYOUT, THIS TIME I'LL USE THE CREDITS PAGE FOR SOME EXPLANATIONS... THERE'S NOTHING FOR ME TO MAKE A 'NEXT CHAPTER SNEAK PEEK' WITH ANYWAY.

siblings (kyoudai)

You probably already know what the word sibling means, if not look it up! The japanese have several different words that mean sibling, and they are pretty specific

兄弟 brothers

姉妹 sisters

兄姉 brother and sister

兄妹 older brother and younger sister

姉弟 older sister and younger brother

Incidentally, the brother/sister pair from the diary in the love hotel is the older brother/younger sister one

kikkou shabari

Kikkou means "tortoise shell" and is so named because the pattern the interlocking ropes make forms what looks like the shell of a turtle

butter dog

This refers to slathering yourself with some warm butter, and then having fido lick it off for you

soapland

A soapland is a type of brothel in Japan where male clients can engage in sexual activity with female prostitutes, although officially the clubs do business as places where the client is bathed.

sukebe-isu

Sukebe-isu literally means "pervert seat" and is a staple of Japanese soaplands. It is designed so that your partner can have easy access to certain other parts of your body while they are servicing you.

WE'RE STILL LOOKING FOR A TRANSLATOR OR TWO FOR SOME OTHER MANGA PROJECTS THAT WE'D LIKE TO GET GOING, BUT THE LIST IS SO HORRIBLY OUTDATED, THAT I JUST DECIDED TO GET RID OF IT UNTIL I CAN PUT SOME NEW SHIT HERE

IF YOU TRANSLATE SOMETHING COOL, PLEASE SEE US AT
